Chord sheet

At the end of myself

Bm G
At the end of myself is where you begin
Bm G
Into my darkest places your glory shines in
Bm G A D
In my weaknesses, I'm learning the strength of your love

As my answers fade I ask only for the truth
And as sands shift away cling to the Rock that is you
As I fall to my knees, I finally learn how to stand.

D/F# G A D
Je - sus, you are all this heart desires
D/F# G A D
Je - sus, take everything that won't stand the fire
D/F# G Bm A G
Je - sus, grow my brokenness
Bm A G
Fill me with Your strength
Bm A G A D
May I only be complete in you
