

Chord sheet

Build your throne

Intro chords – Em4 C2

Em **G2**
We do not come to a temple or a building.

Bm7 **C2**
We do not come through a system or a priest.

Em **G2**
We come to God, the veil is torn, he's here among us;

D(no 3rd) **C2**
Our fragile hearts, his tabernacle now.

G2 **Em4**
Build your throne here with us

C2 **Am7**
As we worship, as we worship;

G **C2**
Come inhabit our praise

Em7 **D(no 3rd)** **C2**
With your presence as we lift high your name.

And can it be that everywhere we stand is holy?
That we've become your house of prayer?
Teach us Lord to keep these living temples sacred;
To raise up hands, expectant of you.
