D2/A

A2

In the soul's dark night of your land

Keep on looking, keep on looking,

Keep on looking to the hills

From where comes your saviour's help

Keep on loving, keep on loving

Keep on letting God's love cast out all fear

Keep on shining, keep on shining.

From deep in my heart I long to help you

But I see that it's you who's helping me

For in you – I see Christ deeper revealed

And even as you fellowship in His sufferings

His work in your lives is shining out the truth
Our world's only hope is in Christ.

(Alt final chorus)

And we're standing, we are standing

We are standing and mourning with you

Yes we're standing, we are standing

We are standing and rejoicing in your hope
