Am F7 Dm7 E7

Am F7 Dm7 E7

Will anyone mourn my lost youth now

Dm7 E7 Am

Or comfort my daughter when it's her turn to cry (she will cry)

I said goodbye to childhood

It left me in the night

I play at houses now for real

The burdens that I carry

Heavier than my womb

The life inside me – will she live?

I am an inconvenience

Distraction on your ipod

Don't worry I will be gone soon

Cos I am forgotten stories

I am injustice still unseen

There are a million more of me – disposable
