

Lord Jesus, love
made known –
hear our prayer:

**All: Let us love
you, and others,
because you first
loved us.**

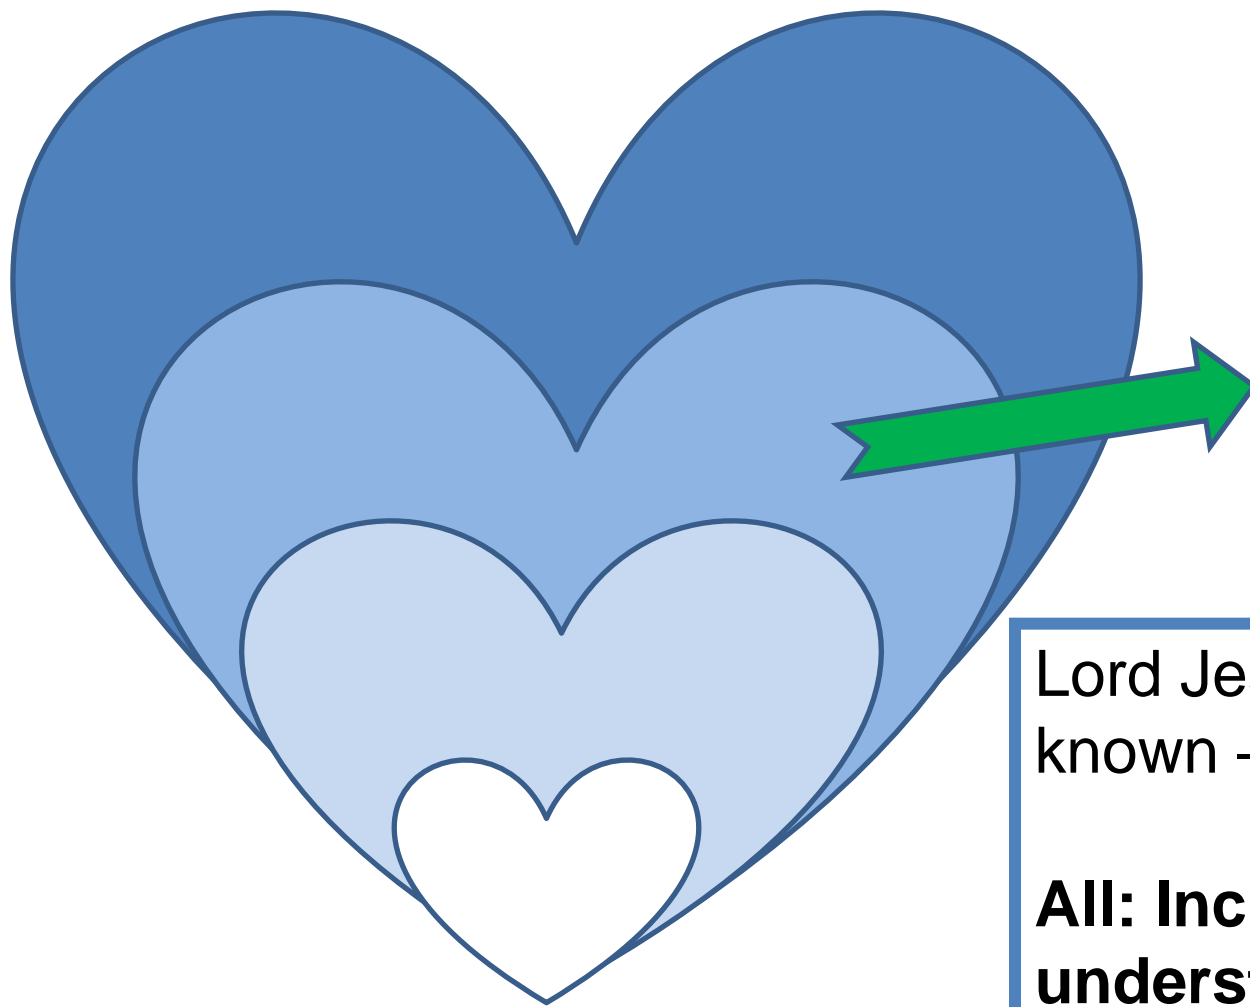

**Inspired to love by
the ultimate family**

Lord Jesus, love
made known – hear
our prayer:

**All: Enlarge our
hearts with your
grace, so we may
love our families in
the strength of
your Spirit.**

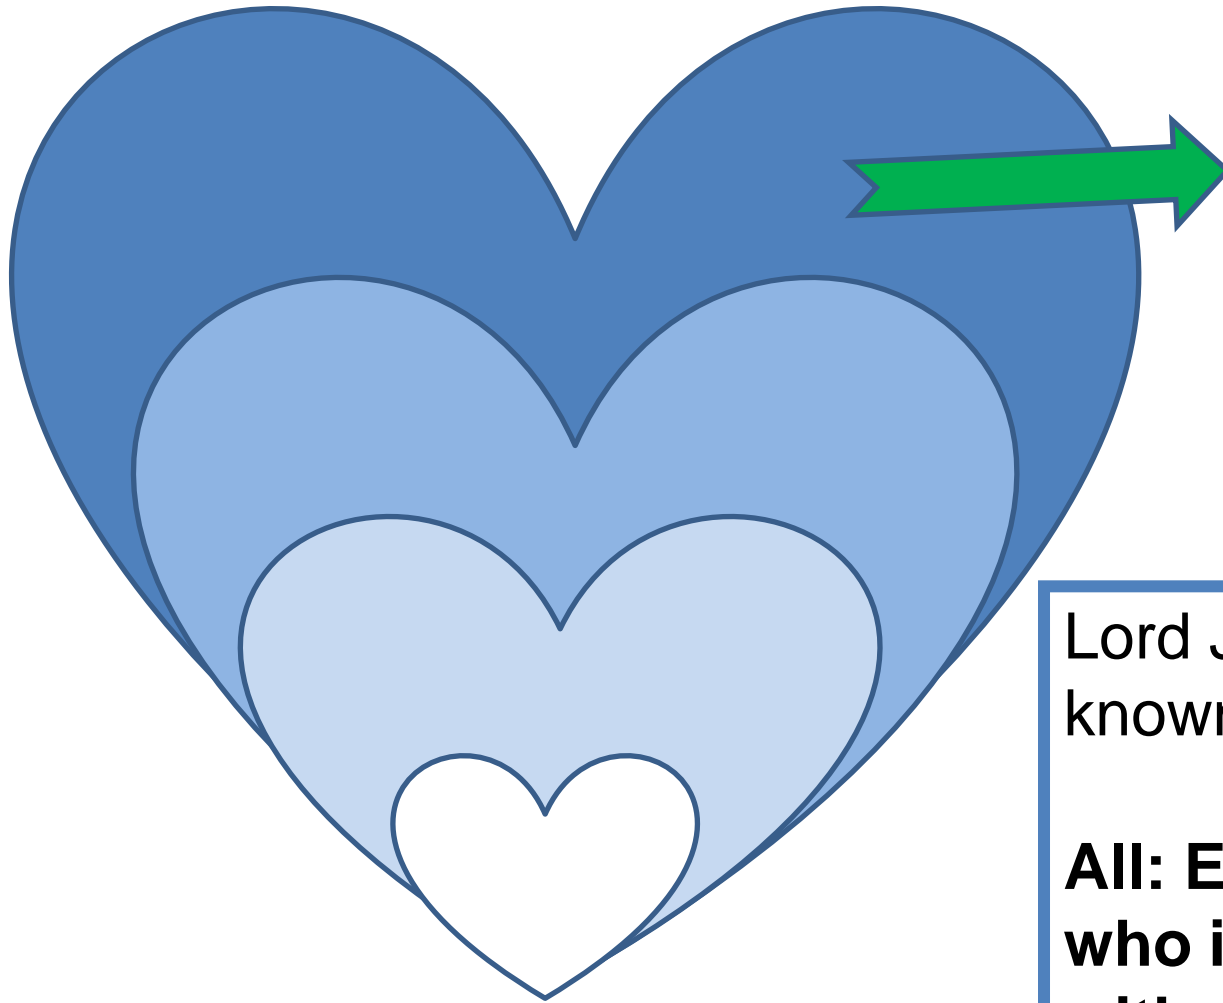

**Empowered to
love our families**

**United by love
for our church
family**

Lord Jesus, love made known – hear our prayer:

All: Increase our understanding of, and commitment to, our church family here and further afield.

**Challenged to
recognise the
size of God's
family**

Lord Jesus, love made
known – hear our prayer:

**All: Expand our view of
who is family, and fill us
with your compassion
for the lost, the poor
and the broken –
wherever they are.**
