

the sanctuary

This PowerPoint is designed to be used in full or in part – either as the basis for a reflective session to pray for those with addictions, or as a toolkit to use/adapt (e.g. by leading people through one or more of these intercession activities during a service or in a group setting).

If you choose to use this as a reflective prayer session for people to do on their own within a corporate setting, we suggest either having the PowerPoint slides up on screen or printing them out as handouts for each individual. And if you do use a PowerPoint, people might find it helpful to have a printout of the statistics to hand. However you are using this resource, the last two activities require a large cross, red wool or thread, scissors, post-it notes and pens.

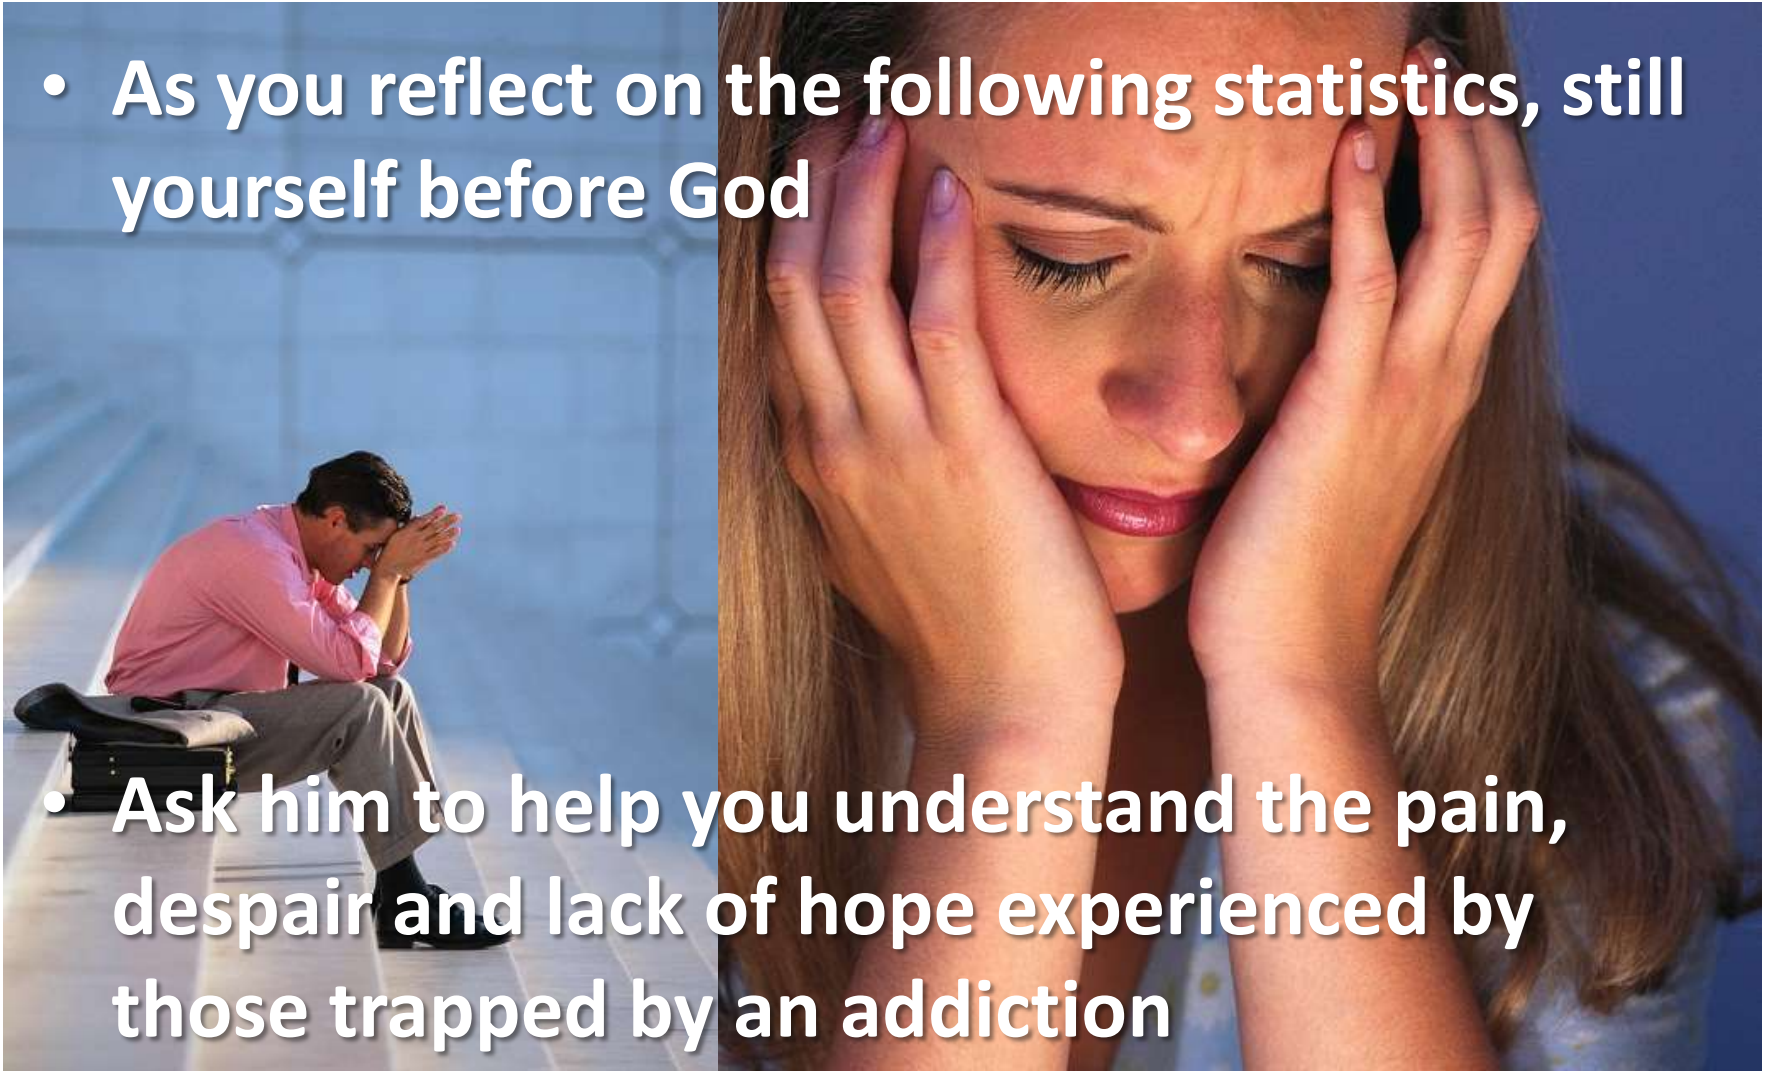

We also suggest putting some worship music on in the background to help people still themselves and focus on the truth of God's ability to heal and transform any situation as they pray for these issues. Download any of our songs at <http://thesanctuarycentre.org/whereworldandworshipmeet-songs.html> or use our outward-focused song index to help you choose some other relevant songs (find this at <http://thesanctuarycentre.org/whereworldandworshipmeet-othersongs.html>).

NB. The statistics used in this resource were researched via a variety trusted websites in December 2012.

The root of the matter...

- Spend a bit of time reflecting on why you think people might fall into addiction

Usually the common root causes are a combination of some or all of these factors:

- Emotional trauma, especially during childhood
 - Distraction from fear, pain, shame or loneliness
 - Boredom and lack of hope
 - An absence of positive role models
 - Peer pressure
- How do these causes match up with our society's perception of "addicts"?

In their shoes...

- Read through the following Scriptures, imagining that you are someone struggling with an addiction who is reading them for the first time...

- **Psalm 86:5-7**
- **2 Corinthians 5:17**
- **Matthew 7:7-12**
- **Galatians 5:1**
- **Isaiah 61:1-3**
- **Ephesians 3:14-21**
- **Matthew 11:28-29**
- **Psalm 18:16-19**
- **Mark 2:17**
- Pray through each verse, asking God to help everyone facing a battle against addiction today (whether known to you personally or not)

Break the chains...

- Using red wool, make a chain, praying for those shackled by an addiction as you do so
- When you're ready, hang the chain over the cross, thanking Jesus that he carries their burdens and that his love never fails or gives up on them

“Is not this the kind of fasting I have chosen: to loose the chains of injustice and untie the cords of the yoke, to set the oppressed free and break every yoke?” *Isaiah 58:6*

Washed clean...

- Spend some looking at this picture and the freedom expressed in the running water
- Read Hebrews 10:19-22
- Write your prayers for true freedom from addiction for all who suffer on a post-it note
- Stick it on the cross, knowing that through Jesus' sacrifice we can all be washed clean
